Victoria Duke Beauty Glam Lessons

It's your time for the celebrity experience!

How does a glam lesson work?

- 1) You will send a series of pictures with makeup on, without makeup on, and your entire makeup collection
- 2) Based on your branded look curated by Victoria, we will send you your glam essentials based off which package you choose from.
- 3) Connect and Correct! You will have a 1 hour FaceTime lesson with one of our Slay Squad members to teach you how to achieve your new look.
- 4) Afterwards, we will send a face chart and in depth notes of your branded look and will schedule a follow up appointment!
